Ideal Harvesting Conditions Aid Garnering of Crops

Although seeding was late this spring due to the abnormal spring moisture, the growing season has been ideal with sufficient rain to produce good crops and harvesting has at last started in the Didsbury district. Farmers east of town have been cutting barley, oats and rye this past ten days and some wheat has been swathed. With the absence of hail the crops are good on the whole and yields are expected to be better than average.

On the edge of town Ken McCoy reports about 25 acres of wheat in swath, and by Monday night had over 150 acres of oats and barley cut and stacked.

Harvesting has also started west of town and many farmers have commenced cutting oats, barley and rye. Wheat is a little later in this area but given warm weather it will be ready for the binder within the next ten days or two weeks at the latest. Outside of a narrow strip north and south along the Dog Pound there has been little hail damage this year in the Didsbury district and feed supplies will be abundant this fall. The hay crop was excellent and has all been garnered.

Frosts have held off so far and to date no frost damage has been reported. Gardens are excellent and the wild blue berry and cranberry crop in the bushland west of Didsbury is said to be good this year.

Given normal harvest weather the Didsbury district will produce a large crop this year. Livestock have come through the summer in excellent shape and with the higher prices prevailing farmers on the whole seem to be contented with the results of their past year's work.

THANKSGIVING DAY MONDAY, OCTOBER 11

Thanksgiving Day this year has been set for Monday, October 11. State Secretary Gibson announced last week. A proclamation is being issued fixing the date and is expected to be published shortly in the Canada Gazette.

WESTCOTT NOTES

Duane Jacobsen has been holidaying at Fallen Timber with his friends, Ronnie Olson and Mr. Don Folkman, who has been employed at Red Deer since the closing of school, arrived home last week to spend a little time with his parents before school reopens.

Congratulations to Mr. and Mrs. Fred Rodway of Red Deer on the birth of a son on Saturday, August 28. Mrs. Rodway is the former Joyce Dageforde.

Mr. Wilbert Berach was a Calgary visitor the latter part of last week and attended the Wright-Campbell wedding.

We are sorry to hear that Mrs. William McDonald had to return to hospital on Saturday, after just being released from there a week ago. The good wishes of all are extended to her for a speedy and complete recovery. Mrs. McDonald's sister has arrived from the coast to care for the family.

Even the weather man co-operated Sunday last for the opening of the new United Church at Westcott, and a very large crowd was in attendance at both services. The guest speakers along with soloists, Mrs. H. Goodwin, and the choir selections, helped to make the dedication truly impressive. It is an event which will long be remembered.

Mr. and Mrs. Swanby and Tom, of Mowbray, Alberta, were among the visitors in the district on Sunday and attended the dedication services.

Miss Deloyce Goetin, who has been employed at Sunco for the past month, arrived home Sunday last.

Mr. and Mrs. Ken Berguson of Cremona were visitors at the Goetin home on Friday last.

A large crowd of bull fans from west of Didsbury took in the final hall game at Olds on Sunday last and saw Waterside defeat Sundre to win the league cup.

Mr. and Mrs. L. Cousins and Roy of Didsbury were week end visitors with Mr. and Mrs. Wilhusen and family.

GOSPEL FILM AT E.V. CHURCH SEPTEMBER 3

A Gospel film, "Life That Satisfies," will be shown at the Evangelical United Brethren Church, Didsbury, on Friday, September 3, at 8 p.m. The film will be presented by the extension department of the Calgary Prophetic Bible Institute and will be in charge of Earle Caspell and Melvin Slack. There is no charge, but a free-will offering will be received.

MELVIN NEWS

The lifting of the embargo on cattle to the U.S. produced immediate results. Housewives will have to dig out all their old wartime recipes and soon we'll be singing the old tune, "One Meat Ball."

The wedding dance at the hall on August 29, honoring Mr. and Mrs. Glen Roberts, was a huge success and everyone reported a dandy time. We extend our thanks and congratulations to the newlyweds.

Miss Anna Dupont and Ken Gillie celebrated their birthdays on Friday evening at a joint birthday party at the Dupont home. About 20 teen-agers assembled and enjoyed a lively evening of games and dancing. After a delicious lunch at midnight the party finished up at the Rugby dance.

Mr. and Mrs. Hugh of Calgary visited at the home of Mr. and Mrs. Elmer Covitt over the week end. Congratulations to Mr. and Mrs. Frank Herbert on the birth of a son, Barry Richard.

Mrs. E. Weidner spent last week at the home of her daughter, Mrs. Allan Krebs.

The district turned out en masse to attend the dedication services at the new Westcott church on Sunday. Many of the local people also attended the evening services in Didsbury.

Miss Justine Harder of Zella is visiting for a few days with Margery Chandler.

Dr. and Mrs. J.M. Fawcett were Sunday supper guests at the Roy McNaughton home.

WEEK END VISITORS AT ED BERSCHT HOME, ELKTON

Among the visitors gathering at the home of Mr. and Mrs. Ed Berscht on Sunday were Mr. and Mrs. Green, Mr. and Mrs. Ezra Berscht, Mr. and Mrs. Heidebrecht and Beverly, Mr. and Mrs. A. Larson, and Mr. C. Larson and daughter, Marie, all of Calgary. Mr. and Mrs. Max Wood and Wilbert Berscht of Didsbury, and Mr. and Mrs. Riley Moon and sons, of Calmar.

Big Attendance at Opening of New Westcott United Church

The new Westcott United church was officially opened Sunday, August 29 in a very impressive ceremony.

The Westcott Presbyterian Church was built in 1901 at the junction of the Fireguard and Dog Pound Creeks eleven miles south west of Didsbury and was completely destroyed by fire in April of 1946. Immediately a committee with J.H. Robertson chairman and H.E. Klinck was formed and proceeded to make rebuilding preparations. The whole community co-operated whole-heartedly and contributed all the necessary labor. The edifice, which will adequately serve for Sunday and midweek services, cost \$6,500.00 and was opened free of debt on the original site Sunday morning in typical sunny Alberta weather.

Rev. Dr. J.M. Fawcett of Calgary, pastor of this charge in 1938-43, was the presiding clergyman at the re-opening and dedication service, which was attended by a congregation of 350. Rev. T.J.S. Ferguson of Nelson, B.C., who was the minister in 1901 when the original church was opened, delivered a

very interesting, reminiscent and inspiring sermon. The music was led by a local choir of 28 voices.

A noon picnic lunch was served at the Westcott schoolhouse.

At 3 p.m. a Public Worship Service was conducted by the present minister, Rev. J.W. Bainbridge, M.A., B.D. Greetings from the Alberta Conference were brought by Rev. Wesley Bainbridge of McDougall Church, Edmonton. Revs. J.M. Fawcett and T.J.S. Ferguson inspired the congregation with their inspiring messages. The financial report was presented by the secretary, and the chairman of the committee thanked all those who helped make this successful event possible. The music was led by the Didsbury choir. Mrs. H. Goodwin of High River was soloist at both services. Beautiful floral decorations in memory of the "old-timers" were presented by Mrs. Burnell (formerly Mary Hughes) of Kelowna, B.C., and the local W.A.

A large congregation again assembled at the 7:45 evening service in Didsbury to welcome the visiting ministers.

Neapolis Co-op. Spruces Up

The Neapolis store, cheese factory, service station, and other buildings have recently been receiving a coat of paint. The gleaming white makes the buildings look very nice and we all should be proud of them.

Miss Alice Bruce spent two days at her home this week.

Little Bruce Jones had the misfortune to cut the end off one of his fingers in a sawing Sunday. He was taken to town for treatment but returned home Monday.

Mr. and Mrs. G. McGaig visited Thursday night with the latter's father, Mr. Boettger, who is a patient in the Olds hospital.

Mr. and Mrs. Dwayne Fobes and daughter visited Mr. and Mrs. O. McMann one evening last week.

Mr. and Mrs. O. Bittner visited Mr. and Mrs. D. Fobes on Sunday evening. Hanna Neufeld was also a Sunday visitor at the Fobes home.

Thomas McCaig of Calgary met with an accident last week in Calgary and is at present in hospital with extensive injuries. All his

friends in this district wish him well with the hope that he recovers soon.

Donald, Kenneth and Lyle Shultz and Stewart Tighe spent Saturday and Sunday holidaying at Banff.

Mr. and Mrs. Garnet Tighe motored to Banff for a few days in Friday and were expected back Monday night last.

The Smith boys, Osmond and David, spent a holiday as Vancouver, visiting with their aunt and uncle. They were gone a couple of weeks, returning home last week.

Mr. and Mrs. E. McNeil and Mr. and Mrs. J. Kohut were Sunday dinner guests of Mr. and Mrs. P. McNeil.

Miss Annie Kohut spent last week visiting with Mr. and Mrs. J. Kohut and has returned to her home in Calgary.

Mr. and Mrs. A. Thompson and Barry, and Mr. and Mrs. Bellamy of Cremona, and the Browns from west of Didsbury were out berry picking near Fallen Timber but apparently didn't have much luck.

Mr. and Mrs. John Bruce and daughter spent Saturday and Sunday in Olds, and visited Colonel Snyder's ranch west of Olds while picnicing on Sunday.

The official opening of the CBC's new 50,000-watt station, CBW, Manitoba, will take place on Friday, September 3 with a special inaugural broadcast and concert which will include short addresses by noted dignitaries. This special broadcast will originate in Winnipeg's Civic Auditorium.

WITT-FINLAY

A wedding of wide interest took place in Norwood Church, Edmonton Monday evening, when Miss Bessie Wilda Finlay became the bride of Mr. C. Auburn Witt of Seattle, Wash. The ceremony was performed by Rev. C.J. Hallman, assisted by Rev. A. Traub.

The bride is the niece of Mrs. M.A. Finlay, matriarch of Beulah Home, and is the daughter of Mrs. Florence Finlay, missionary in Nicaragua, West Africa, and the late Rev. William Finlay. The groom is the son of Mrs. Winnifred Witt of Wenatchee, Wash., and the late Mr. C. B. Witt.

Baskets of white and pastel hued gladioli and slim white tapers decorated the church for the ceremony, which took place at 8 p.m.

Given in marriage by her uncle, Rev. C.E. Thompson, the bride wore a gown of white tulle, organza, styled and fitted bodice, and a bouffant skirt. Her full-length veil was fastened to a beaded coronet, and she carried a cascade bouquet of deep pink roses.

Mrs. Raymond Young, sister of the bride, was matron of honor, and Miss Dorothy Thompson of St. John, N.B., was bridesmaid. They wore dresses of white dimity fashioned with bouffant skirts. Their accessories were in pink net and they carried colonial bouquets of roses and sweet peas.

Dorcas and Marva Lynn Witt, nieces of the groom, wore flower girls, wearing white dotted swiss accented with yellow, and carried baskets of yellow panicles.

The candles were lighted by the Misses Phyllis Hughes and Ruth Hall, who wore white dimity with green net accessories.

Best man was Mr. Paul Witt, brother of the groom, and Mr. Raymond Young was groomsmen. The ushers were Mr. Donald Taylor and Mr. Bud Goudie.

The wedding music was supplied by Mrs. Donald Taylor, organist, and Mr. Robert Hughes, violinist. The soloists were Mrs. Leda Suder and Mr. Lloyd Willis.

Receiving with the bridal party at a reception at Beulah Home, Mrs. C.E. Thompson, aunt of the bride, wore a black crepe dress accented with pink and black accessories, and a corsage of pink roses.

The bride's table was centered with a three-tiered wedding cake, and gladioli decorated the rooms. Mrs. Paul Witt and Mrs. Lloyd Willis resided at the coffee urns.

Mr. Donald Taylor proposed the toast to the bride.

The couple left on a wedding trip to Jasper, the bride travelling in a beige gabardine suit complemented by navy accessories.

Mr. and Mrs. Witt will reside in Seattle.

Miss Lois Krebs An August Bride

A very pretty wedding was solemnized by Rev. E.B. Fox at the Lutheran parsonage on Friday, August 20, when Lois Marguerite, eldest daughter of Mr. and Mrs. Emil Krebs of Didsbury, became the bride of Mr. Glen Roberts, son of Mr. and Mrs. Hugh Roberts, also of Didsbury.

The bride was lovely in a floor-length gown of white broadened satin with sweetheart neckline and her long veil was held in place by a wreath of orange blossoms. Her only ornament was a triple strand of pearls, a gift of the groom, and she carried a bouquet of red roses and white gladioli.

Olson Krebs, sister of the bride, was bridesmaid and wore a floor-length gown of yellow broadened nylon net with matching chapel veil. She wore a gold locket, a gift of the groom, and carried a bouquet of sweet peas.

Mr. Trevor Hughes supported the groom.

Following the ceremony a reception for the bridal party was held at the home of the groom's parents.

In the evening a wedding dance was held in the Melvin hall.

For her going away costume the bride chose a white wool hooded dress with brown and gold accessories and plaid top coat.

After a short honeymoon in Calgary the bride and groom will reside in Didsbury.

Old Time Residents Return on Visit

Mr. Allan Hunsperger and Miss Grace, with their guests, Mr. and Mrs. Elmer Plattner and two daughters, of Sutton, Nebraska, called on Mr. and Mrs. A.L. Hogg on Sunday. It is over twenty years since the Plattners left this district to make their home in the States.

Happy Cole, who has spent the past two months on the farm with Mr. and Mrs. A.L. Hogg, returned to his home in Vancouver on Saturday.

Mrs. D. Hoesgood and family returned Thursday after spending a week in Calgary visiting with her parents.

Mr. Lionel Lynch and his bride, of Calgary, visited in the Inverness district recently.

We are pleased to hear that the Elkton school will open on Tuesday, September 7. Mr. Harold Erickson will be in charge.

Phone or bring your news items to the Didsbury Pioneer. But be sure these news items are in not later than Tuesday noon, earlier if at all possible.

CANADIAN PACIFIC AIRLINES TO FLY PACIFIC

Canadian Pacific Airlines has been granted permission for regular passenger and cargo flights on the two trans-Pacific routes shown in the above map, adding a total of 14,420 route miles to Canada's

international air services. Now on order for the routes are pressurized four-engine Canadair planes, with a capacity of 40 passengers and three tons of cargo, mail or express. They will be manned by experienced trans-ocean C.P.A. pilots—Canadian Pacific inaugurated wartime transatlantic bomber de-

livery flights in 1940 and many of its pilots later flew four years with the Ferry Command and have since returned to the company. Operational and servicing headquarters will be at Vancouver with the C.P.A.'s domestic overhaul work, now being carried out there, being transferred to Edmonton.

Local Golfer Makes Hole-in-One

Wilt Skerry realized a golfer's dream Sunday morning at the local golf course by making a hole-in-one on the seventh hole. Partnered with Earl Erb and playing against Bill McFarquhar and Art Reiber in the match play tournament Wilt sunk his tee shot on the 292-yard seventh to join Jim Kirby in the selected group which has scored an ace on the Didsbury course. Jim reached his niche in the hall of fame by scoring a hole-in-one on the 75-yard second last year.

A BOARD OF TRADE

A couple of years ago The Pioneer advocated the formation of a Board of Trade in Didsbury, but at the time there was considerable opposition to the idea and rather than argue with some of the knoekers the agitation through our columns was dropped. Last week a couple of prominent business men dropped into our office and were very enthusiastic over the possibility of organizing the old Board of Trade in Didsbury. Their views are also backed by many other business men in Didsbury who now seem to realize that a progressive town like Didsbury cannot remain on the upgrade unless there is some organization to take the lead in bringing about the improvements so necessary for a modern town.

A Board of Trade is the only organization in any community which has the influence necessary to focus attention from outside authorities, municipal bodies, governments and other societies, and for this reason Didsbury citizens should immediately get behind the suggestion that such a Board of Trade should be formed as soon as possible.

If sufficient interest is shown by the citizens of Didsbury and district a Board of Trade will be formed in town. We suggest that the local business men back the idea one hundred per cent. To get the organization started the matter can be further discussed with either Bill Payne or Len Beracht.

The Domestic Animals Act (Municipalities)
SALE AND REDEMPTION OF IMPOUNDED ANIMALS (Sec. 48)
Notice is hereby given under Section 48 of The Domestic Animals Act (Municipalities) that one Pinto saddle mare, branded A over indistinct brand on left thigh, was impounded in the pound kept by W.H. Metz, located on the S.W. of Section 24-31-27-4, on Wednesday, the 4th day of August A.D. 1948, and that the said animal was sold on the 18th day of August 1948 to Hugh Roberts of Didsbury, Alberta, and that said animal may be redeemed by the owner or on his behalf within a period of thirty days from the publication of this notice in The Alberta Gazette, upon payment of all fees and costs due to the municipality and the purchaser of said animal.

For information apply to the undersigned.

SEED TIME and HARVEST
By
DR. F. J. GREANEY,
Director,
Line Elevator Farm Service,
Winnipeg, Manitoba.

A Mobile Agricultural Exhibit

The Line Elevator Companies, sponsors of the Farm Service Department, are pleased and proud to announce the introduction of the "Mobile Agricultural Exhibit" in Western Canada. Line Elevators Farm Service, Agricultural Display, Mobile Unit No. 1, is the "New Look" in educational exhibits. It is a complete "Agricultural Show" on wheels.

The objectives of this modern, well-planned, traveling agricultural exhibit are: (1) To give prairie farmers the latest information resulting from research and demonstration; (2) To foster interest in new solutions to important farm, home, and community problems; (3) To provide information on soil erosion, weed control, farmstead planning, rural electrification, etc.; (4) To serve Western farmers in an educational way through small country fairs, field days, and other agricultural meetings; (5) To bring the attention of prairie farmers to the many valuable agricultural services, information, and offers of the Line Elevator Farm Service (Didsbury), seed testing services, weed identification and control, field crop variety demonstration plots, assistance to Junior Farm Clubs, agricultural research assistance, etc.; (6) To cooperate with all existing agricultural organizations in furthering the interests of agriculture in Western Canada.

During June, July and August, Line Elevators Farm Service, Agricultural Display, Mobile Unit No. 1 will visit many small country fairs, field days, and other prairie agricultural events in Manitoba, Saskatchewan and Alberta. Attractive panel exhibits, assembled inside car, contain facts on the Unit, will feature soil erosion, chemical weed control, farmstead planning, farm erosion prevention, and other important agricultural problems. The unit carries its own power plant, outside address system, record-player, television, and sound motion picture equipment.

We hope all our readers—farmers, country grain buyers, and others—will visit our Mobile Agricultural Exhibit when it is on display at their local Agricultural Fair or Field Day. Watch your local newspaper for further announcements.

TENDERS WANTED
Town of Didsbury

TENDERS WANTED
Town of Didsbury
Tenders for the old Krebs property in the southwest corner of town will be received up until 5:00 p.m. on September 4, 1948.
Highest or any tender not necessarily accepted.
F. L. EVANS, sec.-treas.

BARLEY SAMPLES SHOW EXCELLENT QUALITY

With farmers and seed growers now threshing, storing and shipping their entries in this year's National Barley Contest, the Contest committee has suggested sample instructions to be followed by contestants. Early samples are reported of excellent quality.

Careful threshing is the first warning of the committee so that grain may not be cracked or soiled.

If grain is entered in the Farmers' Contest it may be delivered to the elevator or shipped over the platform. If the first, the elevator operator will look after details of shipping, obtaining a display sample, and sending in the forms. If shipped over the platform the farmer must complete these details himself.

A small bag for a 15-pound sample has been mailed to each contestant. With it has also been mailed an application form for grain judging, two cards for nailing on the inside of the car and a manila tag for shipping the display sample.

Application forms for judging carlot entries are in triplicate, the original on white paper, and two copies, one pink and the other blue. Fill in the forms and send the white one to the National Contest Committee, 206 Grain Exchange Bldg., Winnipeg. Attach the pink one to the bill of lading and put the blue one in the display sample bag along with the grain sample. Fill in the cards and tack them to the inside of the car, near the door and above the grain line. Also fill in the manila tag and ship the sample to the address on the tag.

If the grain is entered in the Seed Growers' Competition, fill in the application for inspection and as before send the white original to the National Contest Committee. But fold the other forms until picked up by a representative of the Plant Products Division. At this time the pink form will be put in the sample two-pound judging bag. Send the display sample by express to the address on the mailing tag. The seed inspector will take the judging sample and ship it to the National Contest Committee.

Applications for seed inspection must be mailed by November 15.

BIRTHS

By D. F. J. GREANEY, Director, Line Elevators Farm Service, Winnipeg, Manitoba.

Prevent Harvesting Losses

Care in harvesting and threshing small grain crops, including flax, is one of the surest and simplest ways of reducing production costs and increasing the average cash return per acre on farms in Western Canada.

Harvesting With Combines. The combine has been widely adopted by prairie farmers for harvesting and threshing grain crops. Although its introduction has meant a substantial decrease in harvesting costs, it has not been without its disadvantages. Combines, large and small, can only be operated economically if they are operated efficiently. It profits a farmer little to reduce his harvesting cost if he loses anywhere from 2 to 5 bushels of grain per acre by the use of careless combine-harvesting methods. For best results, the principal parts of the combine, namely, the header, the thresher, the separator, and the cleaning device, must be given proper care and always kept in proper adjustment.

Combine-harvest Problems. One problem peculiar to combine harvest is the tendency for combine operators to "beat the gun" and start harvest before the grain is ripe or dry enough. The harvest of grain before it has reached full maturity means a sacrifice in yield with no advantage as to quality (grade). On the other hand, serious yield losses may result from delayed harvest. The stage of maturity at which to combine grain crops for the best results is of extreme importance. Farmers can overcome many of the difficulties encountered in harvesting with the combine by giving special attention to the ripening characteristics of the crops, and to weed control.

Barley, particularly malting barley, and flax present special harvesting problems. These crops must be harvested and threshed with the utmost care if heavy losses from weathered, skinned or peeled, fractured, broken, and otherwise damaged kernels, is to be avoided. Today, no grain farmer can afford to have his crop carelessly handled at harvest time. Only by proper care in harvesting operations is it possible for him to take full advantage of its ability to produce high returns. At harvest time, "care means money."

No Need To Tow Them Couple Will Stow Them

The problem of what to do with the youngster while on a shopping tour in the city of Calgary is being solved in a business-like manner by a young Calgary couple, who are setting up a "parking lot" for children and who, in conjunction with it, will operate a "you push it" baby buggy service.

Mr. and Mrs. J.A. Hodge have taken over a store at 329 7th Ave. West, which they renovated for the grand opening the morning of the Stampede parade, July 5.

The Hodges have had the idea for two years and although they have never seen in operation any scheme similar to theirs they have a number of plans. They feel there is a greater need for their project now baby buggies cannot be carried on the transit system. They realize too, there has always been a need for such service for out-of-town visitors who have to carry small children while shopping.

Their premises will accommodate 20 to 25 children at a time. They plan to rent the same number of baby carriages or "strollers" for mothers who do not wish to carry junior about when they are visiting the stores. The premises will be for children between the ages of two and six years and carriages for younger children.

Germicidal lamps and air conditioning is being installed and all playthings as well as the baby carriages are so designed that they may be disinfected daily. Mr. and Mrs. Hodge plan to have a trained personnel on hand to look after their guests.

As a guarantee that junior won't get into bad habits just loafing around while mother is out getting the groceries, the time spent at the Walk-a-Baby-Buggy will be carefully divided into rest periods, play periods and educational periods.

Nourishment (but not a meal) will be provided and the toys with which the children may play during their visits will be carefully selected "educational toys."

Both Mr. and Mrs. Hodge are teachers. Mrs. Hodge, nee Alberta Hutchinson, taught at Big Prairie, Sundre and Didsbury, and for the past six years has been instructing primary children.

SLAUGHTER MILLIONS OF DUCKS IN MEXICO

United States newspaper reports have frequently mentioned that Mexican market hunters were slaughtering ducks by the millions.

Mexican authorities, according to these reports, are quoted as saying four million ducks are killed south of the Rio Grande each year. That, according to present day figures, is one out of every ten that flew down from Canada.

Apparently in Mexico commercial hunting is still legal and the old time batteries of home made guns still fire broadsides — if we are to believe newspaper reports — that kill up to an estimated 400 birds at one time.

With all due respect to Canadian hunters and all the criticism that can be leveled at those who break the law, it would appear that the kill by Canadian hunters of migratory water fowl is still but a drop of blood in the annual water fowl kill each year.

CATTLE EMBARGO TO STATES IS LIFTED

On Monday, August 16, export controls on beef cattle, calves, beef and veal were removed by the federal government after having been in effect since June, 1942. The United States duty on beef and beef products is 3 cents a pound.

This action has resulted in an increase in cattle prices, a top of 27 cents a pound for prime steers having been recorded at the Calgary stockyard. What the ultimate effect will be is hard to say, but it is unlikely that prices of meats will be as high in Canada as in the United States.

In commenting on the federal government's action, Hugh W. Allen, president of the Alberta Livestock Co-operative, stated "It is hoped that those who take objection to the increased costs of meat will bear in mind the fact that actually they have been subsidized out of the farmer's pocket all during the war years and up until the present time."

RETURN AFTER POLL HAS BEEN TAKEN

Section 98 of the Alberta Election Act

I hereby certify that the Member elected for the Electoral Division of Didsbury, in pursuance of the within written writ as having received the majority of votes lawfully given, is: Howard G. Hammett, Garstair, Farmer.

Dated at Didsbury, this 27th day of August, 1948.

Thomas Norman Scott, Returning Officer

SOVIET FARM TAX

On July 14, 1948, the Soviet Government increased the tax on farm incomes of independent farmers. Members of co-operative farms are affected only to the extent they derive an income from their privilege of cultivating an acre of land and of keeping cows, pigs and poultry, as their income from co-operative farms is free of tax. The rate on the basic amount of 2,000 rubles (\$400) is increased from 8 to 11 per cent.

GO: From 12 noon (standard time) FRIDAY, September 3, to and including 2 p.m. (standard time), MONDAY September 6. (If no train p.m. Friday tickets valid on a.m. train).

RETURN: Leave destination not later than 12 midnight, Tuesday, September 7.

7th CONSECUTIVE PATRONAGE DIVIDEND TO "PIONEER" CUSTOMERS

We are paying a patronage dividend on all grains delivered to our elevators from August 1st, 1947, to July 31st, 1948. We will later announce when to call at the "Pioneer" elevator to receive this payment.

This Patronage Dividend Payment will be in cash—not promises or certificates.

We thank all those who entrusted their business to us during the past year.

We have paid patronage dividends annually since 1941

It Pays To Pull To The "PIONEER"

PIONEER GRAIN COMPANY LIMITED

TO A SMOOTH RUNNING FARM

Your separator, running at extremely high speed, needs a special oil to maintain steady lubrication and prevent wear and the resulting bowl vibration. Imperial Cream Separator Oil is scientifically made to protect the close-fitting bearings of your separator in summer heat and especially in winter cold when ordinary oils tend to congeal.

IMPERIAL PENETRATING OIL

Imperial Penetrating Oil is especially useful in overhaul jobs for loosening rusty nuts and bolts. It is also valuable for curing squeaks and stiffness in automobile, wagon and carriage springs. It works its way between tightly fitting metal surfaces, dissolves gummy substances and gives real lubrication.

MICA GREASE

Powdered mica is one of the ingredients in this high quality axle grease that provides smooth operation for wagons, spreaders, hayloaders, etc. A thin film is effective and long lasting—lubricating even when the spindle appears dry. When you buy axle grease be sure it's "Mica".

These and numerous other Imperial products needed on the farm are available from your Imperial Oil dealer or agent.

Legal

Re Home Assurance Company of Canada

Policy Holders of HOME ASSURANCE COMPANY OF CANADA are hereby advised that on Monday the 2nd day of August at the hour of 11:30 o'clock in the forenoon the presiding Judge in Supreme Court Chambers, Calgary, Alberta, granted an Order for the administration of the deposit of HOME ASSURANCE COMPANY OF CANADA made with the Provincial Secretary for the Province of Alberta, pursuant to the Alberta Insurance Act and appointed A.G. Burton, resident party of Peck, Marwick, Mitchell & Company, 41 Canada Life Building, Calgary, as Receiver.

Policy Holders are further hereby notified that it is considered as a matter of law that policies of HOME ASSURANCE COMPANY OF CANADA are ineffective after making of the aforesaid Order and that no person is entitled to share in the proceeds of the deposit with respect to claims for losses occurring subsequent to the time the said order was granted.

All Policy Holders of HOME ASSURANCE COMPANY OF CANADA are further notified to file with A.G. Burton, 41 Canada Life Building, Calgary, Alberta, by the 1st day of October, A.D. 1948, particulars of all outstanding contracts of, and claims against, HOME ASSURANCE COMPANY OF CANADA, duly verified by Statutory Declaration.

A. G. BURTON,
Receiver

LOVE THOSE LIONS

Having witnessed the Wallace Convention in Philadelphia, and come away with a feeling of sadness that America could have produced such a disease, we were the most delighted spectator at a different kind of convention Monday night and yesterday.

We refer to the meeting here of Lions International, and we say in our sincerest editorial voice: "Blessings on the Lions!"

We saw the 15,000 marchers in their splendid parade and their 15,000 additional delegates and were reassured.

This picture of the real America for the Lions came here from all 48 States and the territories "floated out that ugly exorcism that had bubbled up in Philadelphia."

Though Lions is indeed international, it is in common with other great service clubs, a particularly American phenomenon, a fraternal organization of good people who love their country and their fellow men and who meet together all over the land to improve their common life, to help the blind, the sick and the unfortunate, to build and not to tear down, and to enrich their own lives in the doing.

The service club has taken a lot of good and noble advice in this country from the so-called "intellectuals."

They have ridiculed it as the residue of the "habits." Well, we saw that some type of "intellectual" at Shibe Park, Philadelphia, outperforming the show for the blind, and the great men and paying a tribute to a bloody foreign dictator.

New York is honored that the Lions chose our city for the convention. We trust they will come to see us often in the future, at Philadelphia and collectively, "Well, we had us and gentlemen. You've long us a great deal of good!"

—New York Daily Mirror

AN 18 CENT COW

From Wheat Pool Budget

July 7, 1932

The Barre News tells the following incident: Charles Boehler shipped a cow to the Edmonton stockyards and the transaction resulted as follows: weight 860 lbs., price 75 cents per hundred pounds; value of cow \$6.45. But Mr. Boehler did not get \$6.45. There were deductions as follows: insurance 30 cents; stockyard 79 cents; brand 10 cents; commission 90 cents; trucking \$1.03; exchange on cheque 15c, making a total of \$6.27 which subtracted from \$6.45 left 18 cents, the full amount received for the cow.

Regular Meeting of Local Walther League

The regular Walther League meeting of Redeemer Lutheran Church was held on Tuesday, August 17 with 32 Leaguers in attendance. Pastor Fox spoke on the topic "Church Decorum" showing the work of wharves in divine service, the attitude of worshippers in service and other related subjects. The topic brought forth considerable discussion.

During the business session it was decided to go on a picnic at Ollie on Tuesday, August 24. About 20 Leaguers plan to join in this sport. Following this the group joined in old time songs.

While lunch was eaten the executive announced further appointments for the successful development of the League. These appointments were: Chairman of Christian Knowledge, Rev. Fox; Chairman of Christian Service, Mrs. Grace Reese; Christmas Seals manager, Rev. Nurse; Campaign leader, Fred Reese; Membership committee, Alvin Jones, Lily Reinhardt and Robert Follman. Oscar Reinhardt and Harold Sandau were appointed as group leaders in the subscription campaign.

COMBINES LACK WORK

The movement of Canadian combines from the Prairie provinces into the United States to help with harvesting, has in the past few years begun in the latter part of May. This year it was postponed because of poor crop conditions in the Southern States and an increase in the number of American combines available.

Although recent rains in many Southern States have improved crop conditions considerably, production is not likely to equal that of last year. In North Dakota and Montana, however, excellent crops are expected—exceeding 1947 yields—and some Canadian combines may be needed.

Religious Sound Film At Lutheran Church

A full length sound motion picture entitled "Messenger of Peace" will be presented in the basement of Redeemer Lutheran Church on Monday evening, September 5, beginning at 8 p.m.

The heart-warming adventures of Pastor Ritter in the hills where "God" was only a name will hold you enthralled for 90 minutes. You'll live a lifetime during the film. And along the way you'll find something tugging at your heart-strings, tickling your sense of humor, lifting up your spirits.

The film was produced by the Lutheran Laymen's League who also sponsor the world-famous Lutheran Hour. You'll recognize in the cast of "Messenger of Peace" a number of Hollywood's capable character actors. John Beal plays the role of Pastor Ritter; Mrs. Adeline De Walt Reynolds, 83 years old, plays the part of Grandma Frommel and will be remembered for her similar role in "Going My Way." "Messenger of Peace" was made by Roland Reed Productions Inc. and was filmed by RKO-Pathe studios. The casting of the film was carefully supervised by Christian clergymen and laymen to assure a picture authentic in every sense and conforming to the highest standards of Christian entertainment. It's a film the entire family will enjoy.

Watering The West

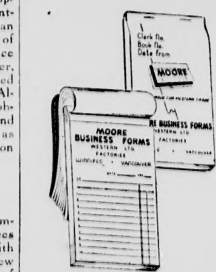

During the past 13 years over 36,000 small watering projects have been constructed in the prairie provinces of Western Canada under the direction of the Prairie Farm Rehabilitation Administration. These range from small farm dug-outs to stock watering dams and smaller irrigation projects. The cost to the P.F.R.A. was \$4,211,362.

The scheme was started after the drought had done extensive damage and the necessity of providing more water for prairie farms had become obvious. On application, the farmer gets free engineering advice and financial assistance, depending on the type of project desired.

BRITAIN AND IRELAND SIGN TRADE AGREEMENT

The governments of the United Kingdom and Eire have signed a five-year trade agreement effective July 1, 1948. Eire has undertaken to limit her cattle exports to the European continent to fifty thousand in 1948 and in subsequent years at 10 per cent of her total exports. It is estimated as a result that exports of store cattle to the United Kingdom will be increased from 300 to 400 thousand and fat cattle from 50 to 100 thousand and by 1950, carcasses meats are to be raised to four thousand long tons and canned meat exports to 10 thousand. Fat sheep, poultry, shell eggs, butter and bacon exports to the United Kingdom will also be increased while Britain has agreed to review quantitative restrictions on imports of manufactured goods, particularly agricultural machinery.

Canada's 31,085,000 laying hens produced 41,941,000 dozen eggs in June. Alberta's 3,600,000 layers produced 4,483,000 dozen eggs in that month.

-: DISTRICT NEWS -:

Westerdale Notes

The Western League baseball season came to a close for another year last Sunday afternoon when Westerdale and Sundre played their game on the Olds diamond with the laurels going to the Westerdale team by a score of 15-12.

Miss Mavis Wigley left last Wednesday for her home at Ocean Falls, B.C., after spending the past six weeks at the home of her cousin, Phyllis Jackson. Mrs. L. Jones accompanied Miss Wigley to Vancouver, where she will visit for a short time with her sister, Mrs. J.H. Thompson.

Mr. and Mrs. John S. Graham and daughter, Joan Marie, of Coaldale, Alberta visited at the home of Mr. and Mrs. H. Jackson last Friday and Saturday. They were homeward bound from a three-week holiday trip spent at B.C. points. Mrs. Ted Farrant and daughter of Rosedale, B.C., who have been visiting at the H. Jackson home, accompanied Mr. and Mrs. Graham on their homeward trip.

Mr. and Mrs. R. Jackson, Mr. John Bothers Sr. of Innes Lake, and Patsy Bothers of Edmonton motored to Edmonton last Friday. Patsy Bothers returned to her home in Edmonton last week end, after spending the past few weeks visiting at the R. Jackson home.

Members of the Westerdale Willing Workers are asked to note that the September meeting of that organization will be held at the home of Mrs. A. Buckley instead of Mrs. J.P. Schrader as stated in booklets.

BERGEN NOTES

Rev. P. Dyck and Clarence Schaefer were visitors in the Valley last Friday.

Mrs. Laurie Hendrix is holidaying near Drumheller. Ethel Lyle is driving the "Cub" tractor, cutting grass on the Gamble Ranch.

They say Cecil Lyle owns a 3-ton truck. Dodge brothers, you may get run over.

George and Ken Mullen's cars were seen on the Bergen highway Sunday.

Chris and Walter Admussen have gone to Creston, B.C., to work in a sawmill. Gladys Admussen was home for a few days last week. Endred Wiolness planned 100,000 feet of lumber near Carstairs.

Sylvia Lund, who has a secretarial position in Edmonton, helped in the Bergen store on Friday.

Mr. and Mrs. Earl Baughman and Lloyd attended the Bergen church on Sunday.

Harvey Burgess and family visited with the Edwin Clarkes Sunday.

Mr. Ezra Sherrick is visiting Rev. P. Dyck and doing carpenter work on the parsonage.

NEWS FROM EAST

Quite a number of people from the district journeyed to Beiseker to see the touring negro baseball team, Beiseker and Calgary Purty 99 play a double header Sunday.

Miss Maureen Schumaker, who has been spending her summer holidays with her aunt and uncle, Mr. and Mrs. Schumaker, has returned to her home in Calgary to prepare for the coming school term. She was accompanied on her return by her cousins Gloria and Joyce, who will visit in the city for a week.

Mr. and Mrs. Walter McCulloch visited at the Schumaker home Wednesday evening. Mr. and Mrs. Jim McCulloch were Calgary visitors on Tuesday and brought back a couple of men to help Walter McCulloch with the threshing.

Mr. Harry Richardson was a Sunday visitor at the Bruce Shells home.

Mr. Bill Lyons was seen visiting in the neighborhood with old friends.

Sam Elliott is cutting wheat on the Dick Mels farm.

Mr. Dick Jenkins was a Sunday visitor at the Schumaker home.

Mr. and Mrs. Gus Bittner were Calgary visitors Thursday.

Mr. George Clarke is helping Sam Elliott with the harvest.

Leslie Schumaker visited with his sister and brothers at the Brander farm.

CREMONA

Mrs. McKay's mother has been visiting with her for the past few days.

Mr. and Mrs. McKay had as their guest for the past two weeks their granddaughter from Vulcan.

The Women's Institute sponsored a shower for Mrs. Bruce Hewitt at the home of Mrs. M. Hewitt. Contest and games were played, and after the money gifts were opened the guests signed their names in the bridal book.

Mr. Delbert Parsons has been very ill at his home in Cremona, and we all wish him a speedy recovery.

Mrs. E. Ried is feeling much better after taking treatment for ear and throat trouble.

Mr. and Mrs. Sanderman of Calgary, Norma Beutiger and Ralph left Monday on a trip to the United States.

Miss Alice Campbell of Calgary visited last week with her cousin, Mrs. Shultz of Cremona.

Congratulations to Mr. and Mrs. George Bailes on the birth of a son, Robert.

Mr. and Mrs. Joe Dick, Doreen, Melvin and Kelvin, of Didsbury, visited Sunday with the Waterstreet family.

Nola Waterstreet visited Sunday with relatives in the Graham and Fallen Timber districts.

Mrs. V.H. Jones of Calgary, who represents the Nu-Bone Foundation Garments, spent a very successful day in Waterstreet's Clothing store on Monday.

Miss Nola Waterstreet is recovering from a recent illness, and we hope she is soon completely well.

BURNSIDE NEWS

Mr. and Mrs. Swanson of Carstairs and Mrs. Emily Hunter of Calgary were Sunday dinner guests at the Sam Elliott home.

Brian Page of the RCAF was home for the week end. He flew from Toronto to Edmonton in six hours.

Mr. and Mrs. Walter McCulloch motored to Edmonton on Sunday with their daughter, Norma.

Mrs. Page has as her guest this week her brother, George, of Trail, B.C. Her nephew and niece, Mr. and Mrs. Crow of Calgary, are also visiting with Mrs. Page.

Mrs. T. Thompson and Mr. and Mrs. Welsh of Calgary spent the week with Mr. and Mrs. A. Thompson.

CH. Mardon, who is a patient in No. 2 Wireless convalescent hospital in Calgary, spent the week end at home.

Burnside school opens September 1st for another term with a new teacher, Miss Curchewick.

Master Bruce Jones, 7-year-old son of Mr. and Mrs. Bob Jones, met with a painful accident Sunday while playing with a mower.

His fingers got caught in the gears and were badly crushed. His father rushed him to the Didsbury hospital where he was attended by Dr. Paul. He is now back home and feeling fine but minus half of his index fingers on the right hand.

Best of luck to you, Buster.

The Store With the Stock

Mr. and Mrs. W. Spence have returned home following a two weeks holiday.

Get your Britannia Binder Twine now from Gordon E. Sparks, your John Deere dealer.

On Monday, August 30, F. W. Ahlgrim delivered a load of rye from the 1948 crop to the U.G.G. No. 2 elevator in Didsbury. The grain weighed 60 pounds to the bushel and graded 2 C.W.

Ted Dageforde of Consort spent a week's vacation with his parents and sisters at Banff. During the week they toured the mountains, including Yoho Valley, Jasper highway and the Columbia Icefields.

E.G. Ranton was a Calgary visitor Monday.

Mrs. Bertha Brochwald spent the week end in Ollie as guest of Miss Marion Craig.

Word has been received by Mrs. Mose Dippel that her mother, Mrs. Lucinda Dockstader of Marion, Kansas, passed away at her home on August 30.

Lyndel Gochee of Calgary was a week end visitor in town.

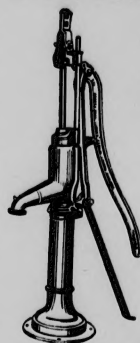

Mrs. F.W. Leeson spent the week end visiting with her son and daughter-in-law, Mr. and Mrs. Carlton Leeson.

Mr. and Mrs. Wyndel Gochee and daughter, Diane, spent Sunday with friends at Sundre.

Mr. and Mrs. Henry Sportel returned home from a motor trip to Banff. From there they went to Spokane, Yakima, Wenatchee and Grand Coulee Dam. Returning by way of Spokane they visited Missoula and came through Glacier Park on their way home.

The afternoon group of the W. A. of Knox United church will meet this Friday afternoon, Sept. 3rd, at the home of Mrs. Bert Pross at 2.45 p.m. All the ladies of the church in town and district are cordially invited.
